Proficiencies

Foodservice Skills

- Serving, bartending, bussing, hosting
- Responsible for creating and executing food prep lists, preparing and fulfilling orders
- Clean up and inventory, closing duties
- Espresso bar and specialty beverage training from Pavement Coffeehouse, described as a “meticulous and clean barista”
- Multitasking, large and small group leadership, expediting orders, cash and change, customer service, line and prep cook

Skilled in Microsoft Office, Word, Excel, & PowerPoint, Windows OS, & MacOS

Proficient in GarageBand, Logic Pro X, and Ableton Live 11 Suite

Career Goals

—I have a part time fantasy of having a food truck with espresso and sandwiches, called “The Java Drive” (named after *Manhattan Transfers* “Java Jive”) that I would take to jazz festivals and concerts, with sandwiches named after different jazz artists

Education

Berklee College of Music

- Bachelor of Music degree program in Boston
- Completed two semesters during the pandemic, both remotely and on campus, in 2020-2021
- Currently taking an academic hiatus to focus on personal and financial independence

—June 13, 2020: Graduated Kennett High School, in North Conway, NH

Artistic Specialties

Classical, jazz, modern tenor saxophone, solo and ensemble performance, very comfortable on stage, acting, improvising in music and character acting

Additional skills: conducting, wind composition, marching, mace/baton routines, stilt walking, painting, calligraphy, creative & professional writing

Instruments played: Soprano/Alto/Baritone sax, jazz/symphonic Trombone, Flute, Bb/Bass clarinet, piccolo, trumpet & cornet, french horn, euphonium, tuba, marching/concert percussion, guitar, ukelele, piano

Vocal range: baritone

Artistic Goals

—Teaching and working with young music ensembles and children is my dream. Teaching music and performance skills, while also cultivating educational cultures that allow for creative exploration and learning through play is how I want to impact the world

—I would like to accomplish this by launching a traveling team of teachers and artists, that do workshops and masterclasses with summer programs, public schools, and local organizations that would give kids access to different styles of performance and creative cultures
